**THE TERMS OF THE
ROAD TRAFFIC ACT APPLY!**

**Anyone who contravenes these regulations
will be required to leave the premises
immediately!**

- Protective clothing must be worn before checking in.
- Leaving the direct loading area is prohibited and only permitted following authorisation from the responsible manager at the Mosser company (e.g. sanitation areas). Admission to the production areas is prohibited under all circumstances.
- Any instructions issued by staff at the Mosser must be followed.
- Only the essential individuals are permitted to enter the premises to operate the vehicle. Accompanying persons must not leave the vehicle.
- When supplying wood, the legal regulations about securing loads and permitted total weights must be heeded.
- The transportation company is required to instruct its employees and sub-contractors in these guidelines.
